Commissioner for Patents

The reply filed on April 28, 2006 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): Applicants have failed to respond to the notice of non-responsive amendment set forth on the PTO-90C of the communication of April 19, 2006. Specifically, applicants have failed to fully address the rejection of claim 63 under 35 USC 112, second paragraph, set forth within paragraph 2 of the Office action of September 28, 2005. While applicants have amended the claim to specify that the type of percent value is a weight percent, applicants have failed to specify the basis for the claimed percent value. It is unclear if the weight percent is based upon the weight of the film, polyurethane, or one or more of the specified components. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. **EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).**

Any inquiry concerning this communication should be directed to R. Sergent at telephone number (571) 272-1079.
